THE NEDBANK PRIVATE WEALTH FOCUS ACCOUNT

TERMS AND CONDITIONS

Nedbank Private Wealth is a registered trade name of Nedbank Private Wealth Limited.

In these terms and conditions (the "Terms and Conditions"), "Nedbank Private Wealth" (or "we" or "us") refers to Nedbank Private Wealth Limited, a company registered in the Isle of Man.

These Terms and Conditions set out the contract between Nedbank Private Wealth and the Accountholder ("you"/"your") for your Focus Account with us (your "Account"). Some of the Terms and Conditions will only apply to certain Account types or services.

In the case of Joint Accounts, "you" means each Accountholder, and your obligations under these Terms and Conditions are joint and several (which means that each of you is separately responsible to us for the performance of all your obligations, and not just a share of them).

Focus is an integrated group of individual banking and investment services, and we reserve the right to vary the services available from time to time after giving you reasonable notice.

We will be appointed bankers, custodians or discretionary investment manager in accordance with the Terms and Conditions and in respect of the individual Focus services utilised by you from time to time.

Particular words and expressions used in these Terms and Conditions may have a special meaning as described under "Definitions" below.

You should read these Terms and Conditions before completing the Account Application to open an Account with us. By signing an Account Application you agree to be bound by the Terms and Conditions.

It is our policy to conduct business in such a way as to ensure that our services are made available only to those with a legitimate purpose for the use of such services. Both to establish that such is the case, and to allow us to provide you with the best and most relevant services, we may from time to time ask that you provide additional or updated information to us.

Please note that some of our services may depend on your tax status. You should take your own tax advice. In some jurisdictions we may be required to pass information about you to tax authorities, or to deduct tax from payments to you. If you change where you live or are normally resident, you might no longer be eligible for some of our services and it might be necessary for us to terminate our relationship with you.

7.1.9. We may return deposits if we believe that by not doing so we might break a law, regulation, code or other duty which applies to us or we reasonably believe that receiving the deposit may damage our reputation.

7.1.10. If any cheque you have paid in is returned unpaid or any electronic or other payment you have received is recalled we will debit your Account with the amount of that payment, whether or not it goes overdrawn and even if we have allowed you to make a payment or to take cash against that item. You may incur charges and interest for any overdrawn amount. Even if your Account has been closed we have the right to claim repayment of this amount, including charges, from you. This is subject to Condition 7.2.3.

7.2. Cheque deposits

7.2.1. We may refuse to accept any cheque received for credit to your Account if we reasonably believe there is a good reason for doing so.

7.2.2. Cheques paid into your Accounts are subject to varying periods of clearance (as updated from time to time). When a UK sterling cheque, which is issued by a UK, Channel Islands, Isle of Man or Gibraltar bank, is paid into your Account, normally the money will be credited to your Account for interest purposes no later than two Business Days after it is paid in and the money will be available for you to use no later than four Business Days after it has been paid in. However, in certain exceptional circumstances beyond our control, longer timescales may apply and you cannot be sure that the money is yours until the end of the sixth Business Day after it was added to your balance. For this purpose, a cheque will be paid in on the same day that we receive it if we receive it before 12 noon on a Business Day. Otherwise, it will be paid in on the next Business Day after the day we receive it.

7.2.3. When a sterling cheque drawn on a UK, Channel Islands, Isle of Man or Gibraltar bank is returned unpaid it will usually happen three or four Business Days after the cheque has been paid into your Account, but it could be later. However, when you pay in a UK sterling cheque issued by a UK, Channel Islands, Isle of Man or Gibraltar bank into our London branch and that cheque is returned unpaid, we will not deduct the amount of the cheque from your Account, or ask you to repay this amount, later than the end of the sixth Business Day after it was added to the balance of your Account, unless you agree otherwise or were knowingly involved in a fraud concerning the cheque.

- 7.3. Foreign cheque/draft deposits
- 7.3.1. Cheques/drafts drawn on a bank outside the UK or cheques drawn in a foreign currency (whether on a bank in the UK or abroad) cannot be processed by the normal and recognised UK clearing method. The following provisions apply to such cheques/drafts.
- 7.3.2. Where you tender to us, either directly or through another bank, cheques, drafts or other instruments for credit to the Account, we may, at our sole discretion, decide whether such items are accepted on a 'collection' or 'negotiation' basis.
- 7.3.3. We may agree to 'negotiate' such cheques, drafts or other instruments (if they are negotiable) although we are not obliged to do so. Negotiation means that we will add to your Account immediately the full amount or the converted amount. If it is returned unpaid, we will have 'recourse' against you (and anyone who has signed or endorsed it) and we can deduct from your Account either the amount we added or, if we converted it to another currency, the amount reconverted at the exchange rate applicable on the date we make the deduction. For a foreign cheque negotiation, we will deduct our fees (as set out in our tariff of charges) when you pay it in. If it is returned we will deduct a further fee. Agent's fees may be payable whether the cheque is paid or not. Alternatively such cheques, drafts or other instruments may be sent for collection to the bank on which they are drawn. This method could involve using correspondent banks and can incur additional costs.
- 7.3.4. Our correspondent bank will automatically charge a handling fee.
- 7.3.5. The correspondent bank of the bank on which the cheque is drawn may also deduct a charge. This deduction varies depending on country and bank.
- 7.3.6. These charges will be deducted from the amount credited to your account and the charges advised to you.
- 7.3.7. With the above mentioned charges in mind, and in the interest of you, we will not process items for relatively small amounts.
- 7.4. Electronic transfer deposits
- 7.4.1. For you to be able to pay away funds against deposits received, any new sterling electronic transfer deposit sent by electronic transfer must be received by us by **11:45am** on the day of the transfer. However, in the case of currencies other than sterling, we must be informed two Business Days prior to the date of transfer.
- 7.4.2. For you to receive same day value on electronic transfer deposits they must be received prior to 2pm on a Business Day otherwise they will be treated as being received on the next Business Day.
- 7.4.3. Deposits received on a day other than a Business Day, or received after 2pm on a Business Day, will be treated as received on the next Business Day.
- 7.4.4. Where funds are received in a foreign currency they will be applied to an account in that currency unless we are instructed to convert the funds into another currency.
- 7.4.5. When a foreign currency payment is converted we will use our standard exchange rate for buying the relevant currency that applies on the day we receive the payment. You can find out our standard exchange rate by calling us on the number given at the end of these Terms and Conditions.
- 7.4.6. The full amount of the funds received will be placed to your Account. However, we may recover our costs for dealing with the payments you receive from this amount before it is added to your Account but if we do so we will tell you the full amount of the payment and the charges that applied.
- 7.4.7. We can only accept responsibility for payments into your Account after we have received and checked them. Where deposits are received that are not in the format described and not in line with Payment Service Regulations, we reserve the right to delay credit of the deposit to your Account pending us requesting further information or return of the deposit to the payer.
- 7.4.8. If an electronic payment is fraudulently or mistakenly paid into your Account, the amount of the deposit may subsequently be deducted. This may happen even if you have used the funds to make a payment, transferred or withdrawn all or part of them. If this deduction from your Account would either make your Account go overdrawn or go over an existing overdraft limit, we will treat this as an informal request for an overdraft.

9. Interest

- 9.1. Subject to Condition 9.14., we will pay interest on your
Account at a margin below a standard base rate, namely
the sterling Bank of England Official Bank Rate/European
Central Bank Refinancing Rate/US Federal Reserve
Target Federal Funds Rate (or the equivalent in any
other relevant currency). We will tell you the amount
of the margin and we can change this in accordance
with Condition 28.2. Where the standard base rate
less the margin equates to 0%, no interest will be
paid on your Account. If the standard base rate less
the margin generates a negative interest rate, we may
charge you interest on credit balances on your Account.
Subject to this, we will pay interest on the entire cash
balance of the Account provided it exceeds £10,000,
US\$15,000 or €15,000 (or the equivalent in any other
relevant currency). No interest will be paid on balances
below these amounts. Interest will be paid or charged in
accordance with the following Conditions:
 - 9.2. Interest will be calculated daily on the cleared balance
at the rate applicable to the Account and credited
or charged (in the event of negative interest rates
prevailing) to the Account on the last day of each month,
except in the case of accumulation accounts (see Condition
42.). If you ask us, we will also give you a full explanation
of how we work out interest. In this Condition 9,
references to interest being paid on credit balances
should be read as interest being charged to you where
we are entitled to do so under Condition 9.1.
 - 9.3. Interest will be paid on sterling cheque deposits drawn on
UK banks in accordance with Condition 7.2.2.
 - 9.4. Interest will be paid for deposits made by electronic
transfer on the Business Day received, providing they
are received prior to 2pm on a Business Day, otherwise,
interest will be paid from the following Business Day.
 - 9.5. Interest on deposits in other currencies made by cheque
or draft will be paid ten Business Days after the cheque
or draft is received by us or such later date as the Bank
receives notification that the cheque or draft has
been cleared.
 - 9.6. We determine the interest rates applicable to the
Account in accordance with Condition 9.1. The rates
(including the margin and the standard base rates
referred to in Condition 9.1) are available on request
or by phoning our client services team on
+44 (0)1624 645000 or by looking on our website,
www.nedbankprivatewealth.com. Where there is a
change to the relevant standard base rate, the interest
rate applicable to the Account will change immediately.
 - 9.7. Interest will accrue on a sum withdrawn by electronic
transfer up to and including the last Business Day before
the day on which the electronic transfer is executed.
 - 9.8. Where you require income and capital to be permanently
segregated for tax purposes, an interest bearing income
account may be arranged. Should you require such a facility
this should be specified in the Account Application.

THE NEDBANK PRIVATE WEALTH FOCUS ACCOUNT

TERMS AND CONDITIONS

- 9.9. We calculate credit interest and debit interest on a daily basis and on the relevant balance as at close of business on a 365-day basis for sterling and on the relevant standard day basis for all other currencies.
- 9.10. Interest due from us will be credited on fixed term deposits at maturity. On other accounts bearing credit interest, interest due will be credited to the account on which it has accrued, or at the date of closure of the account.
- 9.11. Interest due to us is charged at the rate separately agreed between us and, in the absence of other agreement, this will be at a margin above our reference rate. This aggregate rate may vary from time to time. Interest will be charged to your Account on a monthly basis or at such other periods as shall be agreed between us and you from time to time.
- 9.12. **(Isle of Man and Jersey office Accountholders only)** Interest paid on bank accounts may be paid gross under Isle of Man and Jersey law. You are responsible for seeking tax advice in regard to interest that may be received. In the event that we make an error in the calculation or deduction of tax, you will remain liable to the tax authorities.
- 9.13. **(London office Accountholders only)** Interest paid on bank accounts will be paid net of the basic rate tax.
- 9.14. **(UAE Dirham Accountholders only)** In view of the very low market interest rates for Dirhams and the high operating costs associated with the placement of Dirhams, we reserve the right to charge accountholders a rate of interest for the holding of Dirhams within a current account. We will provide you with further details before the Dirham Account is opened.
- 9.15. Despite Condition 9.12, we will deduct tax from interest paid to you if we are obliged to do so by any relevant regulatory requirements. Please also see Condition 38.
- 10.1.3. Direct debits – Regular payments for a fixed or variable amount to a business or other organisation from your Account, which may vary by amount or date. Each individual payment is requested from us by the business/organisation.
- 10.1.4. Cheques from your Account.
- 10.1.5. Electronic payments – Payments in sterling made through the Clearing House Automated Payment System (CHAPS). Payments made in any currency anywhere in the world which are made using the SWIFT mechanism.

- 10.2.1. Payments from your Account will be permitted only when all account opening formalities have been completed and instructions are completed in accordance with the Terms and Conditions in Condition 5.
- 10.2.2. Payments from individual Focus services will be made by means of transfers to the Focus bank account, and will be subject to the Terms and Conditions that apply to the individual Focus service.
- 10.2.3. You may withdraw sums from the Account in any way we agree. We reserve the right to refuse payment of any cheque or other withdrawal instruction if it would result in the Account becoming overdrawn.
- 10.2.4. (London office Accountholders only) Where we are unable to carry out a payment transaction for reasons detailed in the Conditions below or need to cancel a standing instruction due to there not being sufficient credit balance available on your Account etc., we will inform you of this along with the reasons.
- 10.2.5. We will make payments based on the information we require you to provide us, as set out in these Terms and Conditions. If you provide us with incorrect information, we will not be responsible if the payment is not made, it is delayed or it is made incorrectly. If you ask us, we will make reasonable efforts to recover an incorrect payment.
- 10.2.6. Where you become aware that a payment transaction has been debited to your Account, but not authorised by you or has been incorrectly executed, you must inform us immediately; and no later than 13 months after the date of instruction. We will review whether the payment transaction was properly authorised, accurately recorded and not affected by a technical breakdown or some other deficiency. If we fail to provide or make available information concerning the payment transaction you may be entitled to redress.
- 10.2.7. Where an executed payment transaction was not authorised in accordance with our requirements (as detailed in, and subject to the other provisions of, these Terms and Conditions) we will refund the amount of the unauthorised payment transaction and where applicable restore the debited payment Account to

10. Payment services

- 10.1.2. Standing orders – Regular payments for a fixed amount from your Account to an identified recipient for a defined or undefined period.

- the state it would have been in had the unauthorised payment transaction not taken place.
- 10.2.8. Where we incorrectly execute an electronic payment /direct debit/standing order we will be liable for its correct execution. Unless we can prove that the beneficiary's bank received the amount of the payment transaction we will arrange for the amount of any transaction incorrectly executed to be refunded. We will, upon request, make immediate efforts to trace the payment transaction and notify you of the outcome.
- 10.2.9. We may refuse to make a payment (and we will not be responsible for any loss) if:
- 10.2.9.1. any of the Conditions set out in this section have not been met (this includes if we do not agree to an informal request for an overdraft to cover the amount of the payment); or
- 10.2.9.2. we are not reasonably satisfied the transaction or the instruction is lawful; or
- 10.2.9.3. we consider that your Account has been or is likely to be misused; or
- 10.2.9.4. we are unable to complete our checks for fraud prevention purposes; or
- 10.2.9.5. the payment seems unusual compared with the way you normally use your Account; or
- 10.2.9.6. we reasonably believe that someone else may have rights over money in your Account (in this case we can also ask (or require you to ask) a court what to do, or do anything else we reasonably need to do to protect us); or
- 10.2.9.7. we are blocked or stopped from making the payment due to international legal obligations.
- 10.2.10. There may be a delay in carrying out your instructions while fraud prevention checks take place.
- 10.2.11. We use payment systems to send electronic payments. Payment systems will only use the recipient's sort code and account number when sending a payment. All other information you may have provided, such as the recipient's name, will be sent to the recipient's bank but will not be used when the payment is applied to the recipient's account. You must make sure that you provide us with the correct sort code and account number in order to ensure your payment will reach the correct recipient.
- 10.3. Standing orders/Direct debits
- 10.3.1. You can set up direct debits and standing orders on your Account.
- 10.3.2. To set up a direct debit you must complete a direct debit instruction form with the recipient. The recipient will normally lodge the direct debit instruction electronically onto your Account but may occasionally send the original direct debit instruction you completed to us. We reserve the right to confirm that the instruction has been authorised in accordance with the signatory mandate on the Account.
- 10.3.2.1. When each payment request is sent to us we will check that the reference for that payment matches the reference on the direct debit instruction and will then make the payment from your Account.
- 10.3.2.2. You can withdraw your agreement for direct debit payments and standing orders to be made at any time by informing us before the end of the day before that payment is due to be made by us. You should also tell the recipient that you have cancelled the direct debit instruction.
- 10.3.2.3. The payment will be deducted from your Account and received by the recipient's bank on the direct debit due date, provided that we receive the request to make the payment from the recipient, or the recipient's bank, by the previous Business Day.
- 10.3.3. To set up a standing order, please ask us for a form or you may obtain one from the recipient. We will require all the following details from you to enable us to set up a standing order from your Account:
- 10.3.3.1. the recipient's name, sort code and account number;
- 10.3.3.2. the date we are to start deducting the payments from your Account;
- 10.3.3.3. how often you want us to make the payments;
- 10.3.3.4. the amount of each payment and for what length of time you require us to make the payments; and
- 10.3.3.5. any reference identifying the payment (including a reference to you or the recipient).
- 10.3.4. When we make a standing order payment on your behalf, you will receive interest on those funds until such time that the funds are applied to the beneficiary's account.
- 10.3.5. The amount of the payment transaction is to be credited to the beneficiary's bank account on the day of receipt of the payment order.
- 10.3.6. If you hold a sterling current account with another UK bank, we can, if authorised by you, request direct debit and standing order information from that bank within three working days of approving a valid application. If you request us to transfer your Account to another UK bank, we will supply direct debit and standing order information to them within three working days of receiving your written request to do so.
- 10.4. Payments by cheque
- 10.4.1. In writing cheques, you must take all reasonable steps to ensure that the details cannot be altered. You must not put a date on your cheque(s) which is after the date of signature. If you do, we will not be

TERMS AND CONDITIONS

- liable for any loss to you as a result of us paying a cheque before the date you have put on it. If making cheques payable to a bank or a financial institution, you must add further details on the payee line (account number and name) and draw a line through any unused space on the cheque so that unauthorised people cannot add extra numbers or names.
- 10.4.2. We reserve the right to return unpaid any cheque presented to us six months after the date on the cheque.
- 10.4.3. We will keep original cheques paid from your Account, or copies, for at least six years unless we have already returned these to you.
- 10.4.4. If, within a reasonable period after the entry has been made on your statement, there is a dispute with us about a cheque paid from your Account, we will give you the cheque or a copy as evidence. If there is an unreasonable delay after you have told us about it, we will add the amount of the cheque to your Account until we have sorted the matter out.
- 10.5. Cancellation of payment instructions
- 10.5.1. You can instruct us to stop a cheque as long as the amount has not already been taken out of your Account and we have not told the person to whom it is payable or their bank that it will be paid. We may make a charge for stopping a cheque, as set out in the tariff of charges as updated from time to time.
- 10.5.2. You can instruct us to stop or cancel a payment, other than a cheque, as long as the amount has not been taken out of your Account; we have not told the person to whom it is payable or their bank that it will be paid; and for payment instructions given to us in advance, including standing order and direct debit, you ask us no later than the Business Day before the payment is due. Cancellation instructions will only be accepted outside this timescale if agreed by us and the payee, as appropriate.
- 10.5.3. To cancel a direct debit, or other regular payment, you should also tell the party that collects the payment from your Account.
- 10.6. Electronic payments
- 10.6.1. Where payment instructions, which meet our requirements, are received prior to **11:45am** on a Business Day, we will endeavour to act upon such instructions on the same Business Day. Where such instructions are received after **11:45am** on any Business Day we will act upon those instructions on the following Business Day.
- 10.6.2. You will be responsible for providing us with full instructions detailing the method of payment required, the amount to be withdrawn, the relevant routing information and the beneficiary's bank, name and account/IBAN, as appropriate.
- 10.6.3. Please also see Conditions 4.6.6. to 4.6.8. with reference to international payments.
- 10.6.4. Payments between the UK and its Crown Dependencies (ie, Isle of Man, Jersey and Guernsey) are treated as domestic payments and allow for reduced payer information to accompany such payments, consisting of your Account number only. We will attempt to provide reduced Accountholder information with domestic payments on a best endeavours basis.
- 10.6.5. We will not be held responsible for the non/late arrival of payments due to a lack of or inaccurate information provided by you or for reasons due to circumstances outside our control including the breakdown of electronic equipment within our systems or any other party involved in the payment process.
- 10.6.6. Where we receive a withdrawal instruction (that meets our requirements as stated above), which involves the transfer of foreign currency (ie, any currency except sterling), we will endeavour to action the request for spot value (two working days later) in accordance with the internationally agreed standard settlement period.
- 10.6.7. Where a currency conversion is requested we will disclose our charges as well as the exchange rate to be used for converting the payment to you. We will use our standard exchange rate for selling the relevant currency unless we tell you a different rate applies when you ask us to make the payment. If you make a sterling payment, we cannot control the exchange rate applied by the foreign bank. You can find out the current exchange rate by calling us on the telephone number set out at the end of these Terms and Conditions.
- 10.6.8. Your Account will be debited with our charges at the time of executing the payment order and the beneficiary will be responsible for paying any charges levied by their bank, unless you instruct us otherwise.
- 10.6.9. Our standard charges for electronic payments are published in a separate tariff of charges (as updated from time to time) and you can also find out about them by telephoning us or by looking on our website, or by asking our staff.
- 10.6.10. Where we properly incur any costs charged by third parties or other obligations when acting for you in making electronic payments, you must fully reimburse us for these third party costs.
- 10.6.11. Where you require sterling to be remitted outside the UK, Isle of Man or Channel Islands, we will

endeavour to action the request as above. However, there may be a number of banks involved and different time zones may affect the ability of the banking system to process such transfers. Therefore we will not accept responsibility for any delay in the funds being applied to the beneficiary account in such circumstances.

- 10.6.12. Request for transfers to be made in euro to bank accounts in any member state of the European Union must state the relevant IBAN (International Bank Account Number) and BIC (Bank Identifier Code). If the IBAN and BIC details are not given, we may attempt to complete the details but will not be responsible for any delays or charges incurred by other banking institutions.
- 10.6.12.1. Where you agree with us that execution of a payment order is to take place:
- 10.6.12.1.1. on a specific day;
- 10.6.12.1.2. on the last day of a certain period; or
- 10.6.12.1.3. on the day on which you have put funds into your Account to fund a payment the time of receipt is deemed to be the day so agreed, then:
- 10.6.12.2. If the day agreed under Condition 10.6.12.1. is not a Business Day the payment order is deemed to have been received on the first Business Day thereafter.
- 10.6.13. If you ask us to make a payment to a person with an account within the EEA, other than the UK, and the payment is in euro, the payment will reach the other bank no later than the Business Day following receipt of the payment instruction. If we do this on the same day that the incorrect entry was made the details may not show on your statement.
- 12.3. You shall promptly advise us of all changes of name and/or address. All statements will be forwarded to you by ordinary mail to your address in our records. In the event that mail is returned to us undelivered at the address shown, or you advise of an imminent change of address, we will retain future mail until we receive a new address. We may charge an administration fee (as stated in our tariff of charges as updated from time to time) for the retention of such mail after it has been held for three months or more.

13. Adjustments to account

In any case where we inadvertently make an incorrect entry to your Account (and whether or not you have given notice of such entry to us) we shall be entitled to correct such incorrect entry by debit or credit to your Account (whether or not you shall have drawn against or otherwise relied upon the availability of such amount). Apart from any liability that we may have under the general law, our sole obligation to you in respect of such a mistake shall be to account for any interest that would have been due to you had the error not been made or to reimburse to you any interest and/or other charges levied solely as a result of such error.

- 19.2. We are unable to open an account for a limited company which has issued or intends to issue bearer shares.

20. Death

- 20.1. We may, notwithstanding your death and whether the relevant Account is a sole or Joint Account, and subject to the terms of the Account Application, continue to rely upon the authority contained in the Account Application or any supplementary or third party mandates relating to such Account (howsoever described) until we receive express notice in writing of such death given by the executors, personal representatives or trustees of you (if a sole account) or by any one of you (if a Joint Account), along with relevant documentation, ie, death certificate.
- 20.2. If any one of you dies, the surviving Joint Accountholders must immediately inform us of the death and return the Platinum Visa Card(s) of the deceased Accountholder as soon as possible.
- 20.3. Where an Account for you has been opened in more than one name (including accounts opened by persons acting as administrators, executors or trustees), then, in the event of the death of any of you, provided that we shall have received express notice in writing of such death:
 - 20.3.1. Monies or other assets under our control will be held to the order of the remaining Accountholder or Accountholders or, if there is no survivor, to the order of the executor or personal representative of the last surviving Accountholder; and
 - 20.3.2. Any debit balance on a Joint Account and any other liability or obligation owed to us will be your joint and several liability and obligation and will be unaffected by the death of an Accountholder.

21. Incapacity

- 21.1. In the event of your incapacity, we may continue to provide banking and other services to you until we are given formal notice of the incapacity in writing or unless we are required by law to discontinue.

22. Audit

- 22.1. On request, we will provide you or your auditors with certified lists of investments and/or cash balances held by us, or to your order, for your Account and such other information as you or your auditors may reasonably require. A fee will be payable for this service, as set out in our tariff of charges (as updated from time to time).

23. Our liability

- 23.1. We shall open and maintain an Account for you and provide services to you with all reasonable skill and care.
- 23.2. Neither we nor our subsidiaries, associated companies, Directors, officers, employees or agents shall be liable to you if the operation of an Account or our ability to account to you for any monies is restricted or otherwise affected to your detriment by reasons outside our reasonable control including, without limitation, exchange restrictions, prohibitions or suspension of means to effect payment, requirements of any governmental authority, industrial action, riot, war, terrorist activity, natural disaster or equipment failure.
- 23.3. We may, at our sole discretion, fulfil our obligations to you by establishing a credit in favour of you with or by assigning a proportionate part of any monies owing to us by a correspondent bank in the relevant currency provided that the whole of the indebtedness and liabilities of you to us shall, at such time, have been discharged and satisfied.

24. Our right of set-off

- 24.1. In addition to our right to combine and/or consolidate your Accounts, we may, at any time (including before the maturity date of any term deposit) after notice to you, use any credit balance to which you are entitled on any Account in your name in satisfaction of any sum due and payable by you to us but unpaid. This is known as our right of set-off. For this purpose, we may purchase, with the money standing to the credit of an account, other currencies. In the event that there are insufficient balances available to satisfy any sum due, we may, after reasonable notice to you and at our discretion, sell sufficient stock held to the order of you and apply the proceeds of the sale(s) to cover amounts due. In exercising this right of set-off we will not combine and/or consolidate any account held in your sole name with any Account held with another party, without your prior agreement. Once we have used our right of set-off in relation to any credit balance, the money used will cease to be yours and you will not earn any interest on it.

25. Conflicts of interests and disclosures

- 25.1. We have implemented a conflicts of interest policy ('Conflicts of Interest Policy') that identifies those circumstances that constitute, or may give rise to, conflicts of interest which may pose a material risk of damage to the interests of one or more of our customers. The Conflicts of Interest Policy also sets out the organisational and administrative arrangements that we have implemented in order to manage these conflicts. If at any time, you would like to receive further details in relation to our Conflicts of Interest Policy, please contact us in writing.
- 25.2. When we deal with or for you, or provide advice, we, or an associate, may have an interest, relationship or arrangement that is material in relation to the transaction or investment concerned.
- 25.3. We may effect transactions for you through the agency of and/or with a counterparty that is an organisation or person otherwise associated with us, and we may effect any such transaction without prior reference to you.
- 25.4. We may also effect transactions in which we have a direct or indirect material interest without reference to you.
- 25.5. We or our subsidiaries, associated companies, directors, officers or employees may from time to time have a position in or underwrite or deal in one or more of the securities on which we may have provided investment advice or dealt on a discretionary basis.
- 25.6. We may act as principal in any transaction with you.
- 25.7. Where we have or may have a conflict of interest or a material interest in a transaction described in Conditions 25.2. to 25.6. above, we will ensure that any such transaction is effected on terms which are not materially less favourable to you than if the conflict or potential conflict had not existed.

26. Assignment

- 26.1. We may at any time assign our rights and obligations under any agreement with or concerning you or an Account of yours to any subsidiary, affiliate or associated company of ours. Your rights hereunder may not be assigned without our prior written consent.

We will not be obliged to give any reason for closing an Account. We will not close your Account, or threaten to do so, as a response to a valid complaint that you have made.
- 27.3. We can close an Account immediately by giving you notice in writing to do so, if:
 - 27.3.1. you have given us any false information in relation to the Account; or

 - 27.3.5. the contract between us is void or unenforceable at law; or
 - 27.3.6. you behave in an abusive or threatening manner towards our staff.
- 27.4. Where we close an Account of yours, we may send you by ordinary post a cheque or payment order for the balance, and in the currency of the Account. If we are unable at the time of closure to make payment to you because of any reason or cause beyond our control, we may nevertheless treat the relationship of banker and Accountholder as terminated and shall have no liability to make payment to you except to the extent that we are subsequently able to do so.
- 27.5. On termination of an Account:
 - 27.5.1. any sums payable by you to us including, without limitation, all amounts due in respect of charges and interest shall be immediately payable. This includes charges for transfers and/or cheques as set out in our separate tariff of charges (as updated from time to time);
 - 27.5.2. any forward or contingent transaction or liability outstanding shall, at our discretion, be closed out, otherwise made due and payable or completed and we shall be at liberty to retain sufficient monies from those due to you for this purpose; and
 - 27.5.3. termination shall be without prejudice to the completion of transactions already initiated or to any liability (actual or contingent) already incurred.

- 28.2.1. We may change the margin applicable to the interest rate on your Account (as referred to in Condition 9.1.) for any of the following reasons:

- 28.2.1.3. to respond, proportionately, to the introduction of, or changes to, any law, regulation or relevant code of practice; or
- 28.2.1.4. to reflect a decision or recommendation of a court, regulatory body or ombudsman.
- 28.2.2. We may also change the margin applicable to your Account for any other valid reason (other than a reason mentioned in Condition 28.2.1.).
- 28.2.3. We will notify you of any change to the margin that is to your disadvantage by sending you a letter, email or other personal notice, not less than two months before the change comes into effect.
- 28.2.4. **(London office Accountholders only)** Subject to Condition 28.2.3, if we change the margin(s) applicable to your Account we will tell you about this within 30 days of the change, by letter, email, message on bank statements or other personal notice. However, if we are changing the interest rate on your overdraft, we will give you notice before the change comes into effect.
- 28.2.5. **(London office Accountholders only)** If we give you notice under Condition 28.2.3 and the change has been made under Condition 28.2.2, we will tell you this and you may, at any time up to 60 days from the date of the notice, switch your Account or close it without having to pay any extra charges or interest, and without having to give any notice that you would otherwise have to give under the conditions applying to the particular Account.
- 28.2.6. Our rights to change interest rates are subject to any conditions applying to particular accounts (such as Fixed Term Deposit Accounts), where the interest rate may be fixed for a period.
- 28.3. Changes to fees and charges
- 28.3.1. We may make changes to the fees and charges that apply to your Account as follows. We may remove or reduce existing fees or charges at any time at our discretion. We may increase existing fees or charges, or introduce new fees and charges, for any of the following reasons:

- 28.3.3. We may remove or reduce a fee or charge without notice. If we make any other change to standard fees or charges applying to the day-to-day running of your Account, we will send you a letter, email or other personal notice telling you about the change, not less than two months before the change comes into effect. If the change is made under Condition 28.3.2., we will tell you that, and you may, at any time up to 60 days from the date of the notice, switch your Account or close it without having to pay any extra charges or interest, and without having to give any notice that you would otherwise have to give under the conditions applying to the particular Account.

29. Notices

- 29.1. All our written notices and other communications to you shall be deemed to be duly given or made when delivered (in the case of personal delivery), five Business Days after posting (in the case of posted letter) or, where appropriate, one hour after transmission (in the case of email or facsimile provided that the correct email address is used or facsimile number is dialled) to the last address, email address, or facsimile number, as the case may be, on our records.

30. Cancellation rights (London office Accountholders only)

- 30.1. If you enter into a contract with us for an Account and/or the provision of investment services you are permitted to cancel or withdraw from the contract within 14 calendar days from the date of the conclusion of the contract or from the day on which you receive the contractual Terms and Conditions and any other pre-contractual information required, if that is later. However, there is no right to cancel a contract whose price depends on fluctuations in the financial market outside our control, which may occur during the cancellation period, such as foreign exchange, money market instruments, transferable securities, units in collective investment schemes etc. There is also no right to cancel a fixed rate account.

- 30.2. If you exercise this right to cancel you must, before the expiry of the relevant deadline, notify us in writing to Head of Banking Operations, with notification being dispatched before the cancellation deadline expires. Reasons for the cancellation do not need to be given.
- 30.3. By exercising a right to cancel you withdraw from the contract and the contract is terminated. However, you may be required to pay, without any undue delay and no later than within 30 calendar days, for the service actually provided by us. The amount payable will be limited to an amount which is in proportion to the extent of the service already provided. We may require you to pay for any loss under a contract caused by market movements that we would reasonably incur in cancelling it. The period for calculating the loss shall end on the day on which we receive notification of cancellation.
- 30.4. We must, without any undue delay and no later than within 30 calendar days, return to you any sums we have received in accordance with the distance contract except for any amount that you may be required to pay under Condition 30.3. above. This period shall begin from the day on which we receive notification of cancellation.
- 30.5. If you do not exercise any cancellation right you may have, then you will continue to be bound by these Terms and Conditions, and the terms and conditions referable to the particular account or service after the expiry of the cancellation period.

31. Language

This section applies to you if you have a Platinum Visa Card. A Platinum Visa Card is a card which displays the Visa logo which you can use to make purchases from retailers or suppliers of services and which also allows cash machine (ATM) access to your Account, where the Visa logo is displayed. These Terms and Conditions set out the contract between us and you (the "Platinum Visa Cardholder") for any Platinum Visa Card issued to you.

- 41.1. Should the balance on your Account fall below the minimum balance required (see Condition 34.18.) you may be charged a fee, at our discretion, for each Platinum Visa Card issued to you. This charge is detailed within our tariff of charges sheet, which may be updated from time to time. The latest version of the tariff of charges is available on our website www.nedbankprivatewealth.com. The charge will be taken in the first quarter of each year and will be deducted from the Account linked to your Platinum Visa Card(s).
- 41.2. You authorise us to deduct the amount of any transaction carried out by use of your Platinum Visa Card (subject to the further Conditions below), with or without use of your PIN, from your Account, whether or not you have given or

authorised such transactions. However, your liability for transactions which have not been made or authorised by you will be limited as per the further terms below.

- 41.3. We provide the Platinum Visa Card as principal. We have authorised a third party processing company to act as our agent for administering the service we offer in relation to the Platinum Visa Card. We may at all times disclose to the processing company, any authorised credit reference agency and any supplier of computer system services in respect of the service details of the financial affairs of any Platinum Visa Cardholder including, but without limitation, details of the Account held, whether alone or jointly by a Platinum Visa Cardholder.

41.4. Use of Platinum Visa Cards

- 41.4.1. The only person who may use the Platinum Visa Card is the individual to whom we issued it. All holders of the Platinum Visa Card must be aged 18 years or over.

- 41.4.2. You must sign the back of the Platinum Visa Card with a ballpoint pen as soon as it is received.

- 41.4.3. A Platinum Visa Cardholder must not use a Platinum Visa Card outside the validity period shown on the Platinum Visa Card or after any notification of withdrawal or cancellation of the Platinum Visa Card given by us or any person acting on behalf of us. When the period of validity of a Platinum Visa Card has expired, it must be destroyed by cutting the Platinum Visa Card into a least four pieces across the magnetic strip on the reverse and the embedded Chip on the front of the Platinum Visa Card.

- 41.4.4. As long as the cleared cash balance on your Account is sufficient in each currency the Platinum Visa Card is held, you may use your Platinum Visa Card along with the PIN to obtain cash from any ATM which will accept the Platinum Visa Card. In using a Platinum Visa Card to withdraw cash, a Platinum Visa Cardholder cannot (when any such withdrawal is aggregated with the withdrawals of any Platinum Visa Cardholder jointly liable in respect of the Account) withdraw more than the balance of the account. Withdrawals using ATMs may be subject to a limit of £2,000, or currency equivalent, per transaction. Cash withdrawals may be made up to the daily cash withdrawal limit. Local regulations may also apply. Such cash withdrawals may be subject to a handling fee and finance charge set by Visa/the merchant. Please also refer to Condition 41.8.2.

- 41.4.5. Transactions carried out using your Platinum Visa Card will normally be applied to your Account on the day the transaction is carried out or the next Business Day. On each Business Day, any available funds on your Account will be used to pay any transaction notified to us since

THE NEDBANK PRIVATE WEALTH FOCUS ACCOUNT

TERMS AND CONDITIONS

- the previous Business Day before being used to pay any other debit from your Account.
- 41.4.6. You must pay all amounts charged to your Account by your Platinum Visa Card if it is clear that you or any additional Accountholder has authorised the transaction. For the avoidance of doubt it is confirmed that we will not be liable for any refusal by a third party to accept or honour a Platinum Visa Card. If a supplier issues a refund voucher in respect of a Transaction, we will credit the Platinum Visa Card with the amount of the refund only upon the date of receipt by us from Visa of the relevant refund voucher properly issued. If a supplier becomes liable to make a refund but a properly issued voucher is not received by us, subject to any statutory rights of the Platinum Visa Cardholder, we will not be liable to credit the Platinum Visa Card with the amount of the refund and no claim by a Platinum Visa Cardholder against the supplier will be the subject of set-off or counter claim against us. No rights of any Platinum Visa Cardholder against us may be assigned, transferred or otherwise disposed of.
- 41.4.7. We reserve the right to set a limit on the maximum number of purchases and cash that may be made/withdrawn with the Platinum Visa Card at any one time or during any one day and to apply a maximum to the amount of any single purchase or cash withdrawal made with the Platinum Visa Card, irrespective of the fact that the Platinum Visa Cardholder's available balance may be higher.
- 41.4.7.1. Should you anticipate undertaking a high volume of transactions, or a single large transaction, you may wish to pre-advise us, particularly if you are going on holiday/visiting another country. It may be beneficial to discuss your travel arrangements with us to ensure that your Platinum Visa Card has sufficient availability to cover your holiday/travel needs.
- 41.4.8. We reserve the right to decline to authorise any transaction if:
- 41.4.8.1. we have reason to suspect the Platinum Visa Card has been lost or stolen;
- 41.4.8.2. you have broken these Terms and Conditions;
- 41.4.8.3. we are unable to make a satisfactory identification of the Platinum Visa Cardholder; or
- 41.4.8.4. we are blocked or stopped from making the payment due to international legal obligations.
- 41.4.9. In order to try to prevent fraud, we may block the Platinum Visa Card if it is used abroad (that is, outside of the UK, Channel Islands and the Isle of Man). In order to avoid this you may wish to pre-advise us of any proposed trips abroad.
- 41.4.10. If asked to authorise a transaction, we will take into account any other Platinum Visa Card transactions that have been authorised and not debited to the Account. If it is determined that there are insufficient available funds to pay the amount that would be due in respect of such a transaction, we may refuse to authorise the transaction.
- 41.4.11. When withdrawing cash with the Platinum Visa Card at a counter service, the Platinum Visa Cardholder will normally be asked for proof of identity such as passport or driver's licence. We are not liable should the transaction be refused.
- 41.4.12. You may use your Platinum Visa Card to make payments for goods and services through a variety of channels, eg, internet, telephone, television, mail order. You must not disclose your PIN when using any of these channels. We strongly recommend the use of 'secure payment' sites and software when sending your Platinum Visa Card details over the internet. When using your Platinum Visa Card to make payment over the telephone, or mail order, you may be asked for additional identification.
- 41.4.13. Once the Platinum Visa Card or Platinum Visa Card number has been used for a transaction, that transaction cannot be stopped and we will debit that amount to the Account. Although the Platinum Visa Cardholder cannot stop a transaction once the Visa merchant has processed it, in certain circumstances, for example, where the Account has been debited twice for the same transaction, we may be able to 'charge back' the transaction to the retailer via the retailer's bank. In the first instance, the Platinum Visa Cardholder should contact the retailer concerned to resolve the matter, but if you are unable to resolve the dispute, then you should contact us.
- 41.4.14. If a purchase is made in a currency which is not the currency of the Platinum Visa Card and a refund is applied at a different exchange rate, we are not liable for any exchange loss that may occur even if the debit and credit are applied on the same day.
- 41.4.15. Any unrecognised transactions should be disputed, in writing, within 45 days of the transaction. In such cases enquiries may be made on the Platinum Visa Cardholder's behalf, but the outcome cannot be guaranteed.
- 41.4.16. If any credits applied are subsequently recalled for any reason, we will debit the Account in full for the amount credited to the Account.
- 41.4.17. All Platinum Visa Cards issued under these Terms and Conditions will at all times remain our property. We may at any time withdraw authorisation to use a PIN and/or a Platinum Visa Card (without thereby affecting the Platinum Visa Cardholder's liability in respect of such use) and require the return of a Platinum Visa Card. In normal circumstances, we will give you the notice specified in Condition 27.,

- but we can withdraw authorisation immediately if we reasonably suspect fraud or that you may not be able to make repayments. A Platinum Visa Card must be returned to us upon demand and may be retained by us or any person acting on behalf of us.
- 41.4.18. Platinum Visa Cards are not available for use in connection with Business Accounts.
- 41.5. Security and safety of the Platinum Visa Card including PIN Numbers
- 41.5.1. For security reasons, Platinum Visa Cards sent to Accountholders in high risk countries will be sent using a courier service. A charge will be made for this (see tariff of charges as updated from time to time) and debited to the Account. For a list of high risk countries please contact us.
- 41.5.2. A Platinum Visa Cardholder must exercise all reasonable care to ensure the safety of any Platinum Visa Card issued and take all reasonable measures to prevent it being used by anyone not authorised by us to use it, and must at all times safeguard the Platinum Visa Card and keep it under the Platinum Visa Cardholder's personal control. It is the responsibility of the Platinum Visa Cardholder to take care of the Platinum Visa Card and avoid leaving it where it may be stolen, such as in a car or unattended in a public place. The Platinum Visa Cardholder may be liable for any loss that has occurred on the Platinum Visa Card before its loss/ theft has been reported. See Condition 41.5.11. below. Please also refer to Condition 32.4. for other steps that you should take to help prevent fraud.
- 41.5.3. We will issue a PIN which allows the withdrawal of cash from Visa ATMs and to enable the Platinum Visa Card to be used at any retailer or supplier who asks you to input the PIN into a keypad instead of using your signature. We will not reveal your PIN to anyone but you. We will never ask you to tell us your PIN. If you have any doubts whether a caller is genuine or you are suspicious about them, take their details and call us.
- 41.5.4. A Platinum Visa Cardholder must keep secret the PIN which we have issued for use in connection with a Platinum Visa Card. Platinum Visa Cardholders must destroy the notice we send of the PIN as soon as it is received.
- 41.5.5. The Platinum Visa Card number and security code on the Platinum Visa Card should only be disclosed to make a transaction. The security code is the last three digits which appear on the signature panel on the back of the Platinum Visa Card which may be requested when making purchases over the telephone or on the internet.
- 41.5.6. It is possible to change the PIN at any ATM which has PIN management services. If the Platinum Visa Cardholder changes the PIN, obvious numbers and PIN numbers that can be easily guessed by someone else should be avoided. For example, numbers or a combination of numbers identifiable to the Platinum Visa Cardholder, such as date of birth.
- 41.5.7. Never give the PIN when making purchases by telephone, mail order or when using the Platinum Visa Card on the internet.
- 41.5.8. The Platinum Visa Cardholder should take care when entering the PIN and not enter the PIN if being observed.
- 41.5.9. We would advise that the PIN should not be written down in any format or held with the Platinum Visa Card.
- 41.5.10. If a Platinum Visa Card is lost or stolen or a PIN is disclosed to any person who is not authorised by us to receive such disclosure, the Platinum Visa Card holder must immediately notify us direct, or any bank displaying the Visa logo. This notification may be given verbally by telephone to us on +44 (0) 1624 645111, any time of the day or night, 365 days a year. Any such verbal notification must be confirmed in writing within 7 days thereafter. Written confirmation should be sent to Visa Operations St Mary's Court 20 Hill Street Douglas Isle of Man IM1 1EU. A Platinum Visa Cardholder must also immediately report the [loss or] theft of a Platinum Visa Card to the police. If a Platinum Visa Card number has been compromised and the Platinum Visa Cardholder refuses to let a stop be put on the Platinum Visa Card or delays the stopping of the Card, the Platinum Visa Cardholder will be liable for any fraud that occurs. If we need to investigate a transaction, you must co-operate with us and the police, if we need to involve them.
- 41.5.11. If someone else uses your Platinum Visa Card without your permission, your liability in respect of the misuse will be limited as follows:
- 41.5.11.1. If we can show that you have acted fraudulently, then you will be liable for all losses on your Account.
- 41.5.11.2. If we can show that you have intentionally, or with gross negligence, not complied with your obligations to keep your Platinum Visa Card safe and/or your PIN secret, you may be responsible for all losses.
- 41.5.11.3. If someone else uses your Platinum Visa Card before you tell us that it has been lost or stolen or that someone else knows your PIN then, unless we can show that you have acted fraudulently or with gross negligence, you will not be liable for more than £50. After we have been notified in accordance with Condition 41.5.10., you will not be liable for any further use of the Platinum Visa Card by anyone else.

In so doing, we shall allocate these transactions on a fair and reasonable basis. We do not warrant that a more favourable price will be obtained by aggregating. The effect of aggregation may work to your disadvantage in relation to a particular order. However, we will not aggregate transactions on our own account with your orders in a way that might be detrimental to you.
- 43.5.3. Whenever we, or our agents, enter into a transaction on behalf of you we will take reasonable care to ascertain the price which is the best price available to you in the relevant market at the time for transactions of the kind and size concerned and, unless the circumstances require us or our agents to do otherwise in your interests, deal at a price which is not less advantageous to you. The price may not, however, be as favourable a price as we are able to obtain for transactions of the kind and size concerned when dealing on our own account.
- 43.5.4. All transactions in securities shall be subject to market requirements and in the event of any conflict between

TERMS AND CONDITIONS

- the terms of this agreement and any market requirements the latter shall prevail.
- 43.5.5. When dealing in funds, all transactions are subject to the minimum subscription and redemption levels imposed by the Fund Manager. Where an investment has been pooled, in order to meet a fund's minimum subscription level, you accept that you may be compulsorily redeemed in the future, without notice, should other investors redeem and the balance held in the fund fall below the minimum.
- 43.5.6. When dealing in funds, the primary responsibility for sourcing, reading and understanding the investment product lies with you.
- 43.5.7. We may deal on behalf of you in a fund that is only available to persons who are sufficiently experienced or qualified to understand the risks associated with an investment in that fund. - 43.5.8. We may deal on behalf of you in a UCITS fund. It is a key regulatory requirement for you to obtain a Key Investor Information Document (KIID) before an investment is made. The primary responsibility for sourcing, reading and understanding the investment product lies with you. If you are an existing investor who invests in a different share/unit class of the same fund, you are responsible for reading the up-to-date version of the fund and share class specific KIIDs prior to placing a deal.
- 43.5.9. **(London office Accountholders only)** Except where we are providing execution-only services, and/or our investment advice service, we will report to you any losses in the Portfolio which exceed 10% (or any other threshold agreed with you from time to time) of the aggregate value of that Portfolio at the close of business on the previous Business Day. If the threshold is exceeded on a Business Day, we will report to you by the end of that day; otherwise, we will report to you by the close of the next Business Day.
- 43.5.10. **(London office Accountholders only)** You instruct us not to make public any Client Limit Orders in respect of shares admitted to trading on a regulated market which are not immediately executed under prevailing market conditions. - 43.6.2. We may restrict the currencies available for individual investment services.

- 43.7.1. We may not, on your behalf or without your authority:
- 43.7.1.1. deposit by way of collateral or lend assets in the Portfolio to a third party;

- 43.7.1.3. commit you to any obligations to underwrite any issue or offer for sale.
- 43.7.2. You cannot use assets held with us as security for a loan without our prior written consent.
- 43.8. Termination
- 43.8.1. Where applicable, on termination of the management of individual Focus investment services, we shall forth with seek to complete all outstanding investment transactions prior to the termination of the Account, transfer, or procure the transfer of, the Portfolio to you, or as directed by you in writing.
- 43.8.2. On termination of the agreement to provide individual Focus investment services, and subject to any other restrictions specified by us for individual services, the Portfolio will revert to the standard charges specified in the published tariff (as amended from time to time) for custody and dealing services provided until such time as the holdings are either sold or transferred to another party.
- 43.9. Exclusion and limitation of liability
- 43.9.1. We shall not be responsible for any loss or damage or any depreciation in the value of the Portfolio or for failing to provide a return on capital invested by reason of the exercise or non-exercise of the power, discretions and obligations hereby imposed or undertaken by us except insofar as the loss or damage results directly from fraud, wilful default or negligence on our part.
- 43.9.2. **(London office Accountholders only)** Nothing in these Terms and Conditions shall exclude or restrict any duty or liability we may have to you under the UK Financial Services and Markets Act 2000, the PRA/ FCA Rules, or any directly applicable provisions of an EC Directive or Regulation.
- 43.10. Commission and other benefits
- 43.10.1. Subject to any duties and obligations owed by us to you under the Terms and Conditions relating to dealing with other companies within the Nedbank or Old Mutual Groups of Companies under the Regulations, you agree to the items referred to in the Terms and Conditions relating to charges which are payable to us.

- 43.10.2. If you invest into certain investments we may receive a proportion of the annual management fee levied by the underlying investment fund as trail commission. Levels of the remuneration received may vary. A simple example of how this would be calculated is detailed below:
Value of holding: £100,000
Trail commission: 0.25%
 $£100,000 \times 0.25\% = £250$
- 43.10.3. We can provide you with a summary of commission or commission equivalent, detailed in cash terms, that we or our associates have received in relation to recommending or arranging the sale of a product to you. Details are available upon request. The fees payable by you to us may be supplemental to or abated by other remuneration received by us.
- 43.11. Contract notes
- 43.11.1. Unless requested not to do so by you in writing, a contract note will be issued as confirmation of each trade executed on your behalf.
- 43.11.2. As required by the Regulations, you have the right to inspect copy contract notes, vouchers and copies of entries in the books or electronic recording media relating to your transactions. Such records will be maintained in the manner required by the Regulations.
- 43.11.3. In accordance with PRA/FCA Rules we are required to provide you with a contract note no later than the first Business Day following execution of an order or if the confirmation of trade is received from a third party, no later than the first Business Day following receipt of the confirmation from that party. Under IOMFSA/JFSC Regulations, we are required to provide you with a contract note promptly. Where it is not possible to send you full and final details of the transaction at that time, we will send a summary contract note containing key transaction details. The full contract note will follow in due course.
- 43.12. Indirect payment for services
- 43.12.1. We may effect transactions for the Portfolio under a soft commission agreement, under which we place business with a broker in return for receiving goods and services to assist us in providing investment management services for your benefit. A summary of which can be made available to you upon request.
- 43.13. Our policy on soft commission is as follows:
- 43.13.1. The payment of commission to brokers is a normal business practice in investment management. Brokers are chosen by us on the basis of the quality of the service they provide, which can be measured both in terms of executing deals (including the obligation to obtain best execution) and in terms of provision of research, market information and economic analysis.
- 43.13.2. It is also accepted market practice to enter into arrangements with brokers whereby part of the dealing commissions paid to them are used by the broker to discharge the cost of investment-related services supplied to us by third parties. Such arrangements are referred to as 'soft commission' arrangements.
- 43.13.3. Our policy is to adhere to the spirit as well as the letter of any regulatory requirements governing commission sharing or soft commission arrangements. Where we have soft commission arrangements in place with a broker our policy is that we must be satisfied that the deals generating soft commission comply with the requirements for achieving best execution.
- 43.13.4. We undertake to you that further details of the investment related services received by us, in relation to the execution of trades will be provided on request.
- 43.14. Income
- 43.14.1. We will apply all income-related distributions received, in respect of your investments, to your relevant cash account and you authorise us to take any steps necessary to do so. Unless you request otherwise, income will remain in the currency it is received. If you do not hold an account for this currency, you should make appropriate arrangements to inform us in a timely manner which currency account the income should be applied to. If no appropriate advice is received, income will be credited to your account in your base currency. Where we also provide discretionary investment management services, we will allocate them to the same investment strategy.
- 43.14.2. To be eligible to deal in US securities, you must complete and return the appropriate US tax documentation which presently relates to forms in the W series. You must notify us promptly if there is any change to the information that you have given to us in this tax documentation. If you are a US person, or a non-US person holding US securities, and you have completed any documentation required by applicable regulatory requirements, we, as a qualified intermediary, will endeavour to collect income under the appropriate reduced rate of withholding tax.
- 43.14.3. Dividend income will be paid to you in the form of cash dividends. You may, at our discretion, and subject to us receiving a formal written request, request for dividend income to be received as shares offered in lieu of cash, where this option is available, or for automatic dividend reinvestment. These requests will be handled on a case by case basis.

THE NEDBANK PRIVATE WEALTH FOCUS ACCOUNT

TERMS AND CONDITIONS

- 43.14.4. We are unable to elect for withholding tax relief on securities, with the exception of US equities. Tax will be deducted and withheld at source for any income received on non-US equities. The default rate of the relevant jurisdiction will be applicable to any withholding tax applied.
- 43.15. Corporate events
- 43.15.1. We will use reasonable endeavours to notify you of any voluntary or mandatory with options corporate events which affect any investment held in the name of our nominee companies or custodian on your behalf. We will have made all reasonable efforts to ensure information provided on the event is accurate, timely and complete. The information may contain errors or omissions and is subject to change without prior or additional notice. This notification has been compiled on a best efforts basis from information received or derived from publicly available sources. This notification may not contain all the information relevant to your individual circumstances. You must review all materials made available by the issuer or offerer of the event, and are urged to apply your own verification or validation of the information prior to using it in your investing and trading decisions. We will have no responsibility to determine eligibility to participate in the event. Where appropriate, you should consult a professional adviser on the possible consequences, requirements and/or implications of any transaction resulting from the event. Where your instructions in respect of such corporate events are received within agreed timescales, we will use reasonable endeavours to ensure the election to participate in the event is submitted on your behalf. However, we will not be responsible for taking action if your instructions are received late or not received at all, in which case the market default option will apply. By submitting an election you provide automatic consent for us to disclose beneficial holder details to our custodian bank when required. By submitting an election you have an obligation to ensure that you have sufficient available funds to cover any costs associated with the event.
- 43.15.2. We will not notify you of any mandatory corporate events.
- 43.15.3. We will have no responsibility for notifying you of corporate events until the relevant investments are registered in the name of our nominee companies.
- 43.15.4. Where corporate events, such as partial redemptions, affect some but not all investments held within a pooled account in the name of our nominee companies, we will allocate any resulting investments in a fair and equitable manner as we consider appropriate.
- 43.15.5. Where your assets are pooled with those of third parties, entitlements to any benefits or entitlements arising from corporate events will be allocated pro rata. Fractions of entitlements arising from this process will be rounded down to the nearest whole unit or share. The accumulated amount of any undistributed entitlements arising from this process will be sold and the proceeds allocated pro rata. However, where this would result in any allocation to you of less than such amount as we may designate from time to time, the amount will be accumulated with other similar amounts and dealt with as we shall determine. Pooling may mean that where an allocation or share issue has rights weighted towards smaller investors, your allocation may be less than it otherwise would have been.
- 43.15.6. We do not subscribe to a class action notification service. If you become aware of any class action or group litigation proposed or taken which is relevant to any of your investments we can file a claim on your behalf on a best endeavours basis where a filing deadline has not passed. You will be notified of the filing fee on receipt of a request to file a claim. The fee is applicable even if no payout is received.
- 43.15.7. Details of corporate events are included in your Focus account trading statement.
- 43.15.8. When we are advised that an investment has restricted liquidity, your holding may be reclassified while this process is in effect. Where applicable, values will be marked down to zero. A handling charge may be deducted from the proceeds of each distribution made by the investment.
- 43.15.9. If you elect to exercise, subscribe, buy or otherwise acquire new holdings in relation to a corporate event, you are confirming you agree to the terms and conditions of the event. By placing an instruction to acquire new holdings you are accepting the legal obligation to ensure you have sufficient funds to cover the associated costs. Associated costs will automatically be debited from the currency reported in the corporate event notification; if you do not hold an account for this currency you should make appropriate arrangements to inform us in a timely manner which currency account the associated costs should be deducted from. If no appropriate advice is received, payment of the associated costs will be deducted from your Account in your base currency.
- 43.16. Voting rights/attendance at meetings
- 43.16.1. We will not notify you of, or arrange for the exercise of, any voting rights attaching to your investments, whether exercisable at an Annual General Meeting (AGM) or otherwise. We will not notify you of any AGMs or Extraordinary General Meetings applicable to your investments.

- 43.16.2. We will not arrange for you to attend shareholder or unit holder meetings or seek your instructions or vote at Extraordinary or Annual General Meetings.
- 43.17. Banking arrangements
- 43.17.1. We will open bank accounts in appropriate currencies in your name within each Portfolio to which the cost and proceeds of all transactions effected by us on behalf of you will be debited and credited respectively without further authorisation;

- 43.18.2. We do receive generic investment information from various fund managers and investment houses from time to time relating to investments that we hold as custodian on behalf of you. We will pass this information on to you on a best endeavours basis only but we are unable to commit or guarantee that such information will be passed on. It is important that you make yourself fully aware of changes to your investments by referring to the appropriate investment websites that are available.
- 43.19. Best execution duty
- 43.19.1. We owe a duty of best execution when we execute orders on your behalf.
- 43.19.2. We will take all reasonable steps, when executing orders, to obtain the best possible result for you taking into account all the execution factors.
- 43.19.3. We do not owe you a best execution duty where we merely provide prices at which we would be willing to buy or sell, provide a quote, either on request or on a continuous basis, for the purchase or sale of an investment or any other circumstances which clearly demonstrate that you have not relied on our expertise to protect your interests in relation to any aspect of the transaction.
- 43.19.4. Full details of our Execution Policy are contained in the document "Order Execution Policy – Disclosure Statement for Clients" and all relevant Accountholders are requested, as part of the Account Application process, to provide their separate consent to acceptance of this Policy. We will notify you of any material changes to this Policy or arrangements. An up-to-date version of this document is available on our website www.nedbankprivatewealth.com.

Most types of investment business are covered and information can be found at the Financial Services Compensation Scheme website www.fscs.org.uk. A statement describing your rights under the Compensation Scheme is available from us on request. The Portfolio may invest in offshore funds, including hedge funds and funds of hedge funds, which fall outside the UK regulatory system and are therefore not covered by the Compensation Scheme.
- 43.20.2. The address of the Compensation Scheme is Financial Services Compensation Scheme 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU.
- 43.20.3. The address of the Financial Conduct Authority is 25 North Colonnade Canary Wharf London E14 5HS.
- 43.20.4. A consolidated tax report and bank interest certificate is available on request, for which there is a fee (as stated in our separate tariff of charges). This should assist you when completing your tax return, however, in light of the increasing complexity in relation to tax, we cannot accept any liability for any errors or omissions, or for any consequential loss arising. Consolidated tax reports are reported in sterling as the Bank's base currency.
- 43.20.5. If eligible, a capital gains tax disposals report will be provided annually, however, in light of the increasing complexity of rules, we cannot accept any liability for any errors or omissions.

- 44.4. Where investment services offered by the Nedbank or Old Mutual Groups of Companies or other investments are purchased directly by you, we will act on an agency basis only.
- 44.5. Service details
- 44.5.1. Subject to both legal restrictions and restrictions that may apply in individual markets, you may instruct us to buy or sell equities, bonds, unit trusts, investment trusts or other readily tradable investment instruments on your behalf.
- 44.5.2. **(London office Accountholders only)** To conform with PRA/FCA Rules when providing you with execution- only services in relation to Complex Products we are required to assess whether it is appropriate for you to deal in a Complex Product by requesting from you certain information relating to experience and knowledge of trading such products that will help us assess whether you understand the risks associated with dealing in them.
- 44.5.2.1. We will examine the types of products and services with which you are familiar as well as the nature, volume and frequency of previous transactions and may also consider further details.
- 44.5.2.2. We are entitled to rely on the information provided by you, unless we become aware that the information is manifestly out of date, inaccurate or incomplete.
- 44.5.2.3. Prior to assessing appropriateness, we may increase your level of understanding of a service or product by providing further information to you.
- 44.5.2.4. If you elect not to provide the information to enable us to assess appropriateness, or you provide insufficient information, such a decision will not allow us to determine whether the service is appropriate for you and we will issue you with a warning to this effect.
- 44.5.2.5. All decisions on whether to invest are yours.
- 44.5.3. In providing you with execution-only services in relation to Non-Complex products we are not required to assess the suitability or appropriateness of the instrument or service provided or offered to you and as a result, you will not benefit from the UK, IOM, Jersey Regulations, as appropriate, on assessing suitability. - 44.6.2. Registration in the name of our nominee companies or any custodian may mean you lose incentives and shareholder benefits attaching to investments.
- 44.6.3. **(London office Accountholders only)** You understand that investments may be registered in either a designated nominee name or else a pooled nominee name (or a combination of both) dependent upon settlement systems and market practice in respect of the stock in question. Where investments are registered collectively in the same name, a client's entitlement may not be identifiable by separate certificates or other physical documents of title. Should any such nominee company become insolvent, your assets may be less well protected from claims made on behalf of general creditors of that firm. However, Nedgroup Private Wealth Nominees (UK) Limited is wholly owned by Nedbank Private Wealth Limited and currently has no liabilities of its own. Nedgroup Private Wealth Nominees (UK) Limited is not itself authorised to carry on regulated business under the Financial Services and Markets Act 2000, and is our connected nominee. - 44.7.2. Where telephone instructions are given, we will be entitled to rely upon and act in accordance with telephone communications which have been verified by a password which has been specified in the Account Application or other written request in our standard form.
- 44.7.3. We will receive instructions on the purchase, sale or other dealing in investments from you or your

- authorised agent. Execution-only services will be provided to you and we will not advise, or exercise any judgment, as to the merits or suitability of any transaction we are requested to undertake save (in the case of the London office Accountholders) as set out in Condition 44.5.2.
- 44.7.4. We may refuse to accept any instruction to purchase investments if we are unable to administer and/or provide pricing for the asset.
- 44.8. Notice
- 44.8.1. You must provide us with reasonable notice to execute a dealing instruction before the closure of a market or investment instrument dealing period.
- 44.8.2. Where insufficient reasonable notice is given, we will execute the instruction when the appropriate market next opens for business or when the instrument is next available for dealing unless specifically instructed by you to the contrary.
- 44.8.3. Where insufficient notice is given, we shall not be responsible for any loss or damage or any depreciation in the value of the Portfolio or for our failing to provide a return on capital invested by reason of the non-exercise of the instruction except insofar as the loss or damage results directly from wilful default or negligence on our part.
- 44.9. How the Investment Dealing and Custody Service works
- 44.9.1. Our dealing desk is open for business from 8am until 5pm on normal Business Days.
- 44.9.2. Our dealers are only permitted to accept your trading instructions where the following information is provided:
- 44.9.2.1. you can be clearly identified or a correct password is given for dealing instructions given by telephone;
- 44.9.2.2. instructions received by telephone, in writing or by facsimile are given in accordance with the agreed signing arrangements for the Account;
- 44.9.2.3. whether the transaction is a purchase or sale;
- 44.9.2.4. full name and description of the investment to be traded;

- 44.9.2.6. trade price limit (if required).
- 44.9.2.7. Unless you request otherwise, any cash amounts instructed by you will not take into account the associated dealing charges. These will be applied post trade and will affect the overall consideration of the trade. The net consideration may therefore be higher for purchases or lower for sales.
- 44.9.3. Sufficient cleared funds must be available to cover purchase instructions. Where your instructions involve a currency other than Sterling, US Dollars or Euro if provided on or before 10am on a Business Day we will endeavour to act upon such instructions on the same Business Day. Instructions received after 10am will be dealt on the following Business Day. If you instruct us to make a purchase of a security denominated in one currency and settle in another currency ("the settlement currency") you are liable for ensuring that sufficient monies are available in the settlement currency at the time of giving the purchase instruction to ensure settlement. If you do not do this we will only action a foreign exchange deal upon receipt of the confirmation of trade from the broker. This may mean that you receive a different exchange rate than the one used to calculate the original cost of purchase, and could lead to an increase in the overall purchase price. This could result in your Account becoming overdrawn and your Account being subject to overdraft charges and interest as detailed in Condition 14.
- 44.9.3.1. For purchase instructions involving a currency other than Sterling, US Dollars or Euro and the trade requires settlement earlier than Trade Date plus three Business Days, if the instruction is received after 10am on any Business Day then we reserve the right, at our discretion, to extend the settlement date.
- 44.9.4. If your purchase instruction relates to a fund into which we have not previously invested for Accountholders you will be asked to provide a copy of the fund prospectus/subsription form. It will take a minimum of 72 hours upon receipt of the required documents for an Account to be established with the fund manager and the instruction transacted. Timescales may be longer depending on the jurisdiction of the fund and dealing delays may be experienced.
- 44.9.5. If your purchase instruction relates to a hedge fund, we will require a minimum of 48 hours notice prior to the fund's cut-off to enable us to ensure the purchase is placed in good time. Any instructions received after this time will be dealt with on a best endeavors basis, and may be held over until the next available dealing point.
- 44.9.6. Sale instructions will only be accepted for securities held by us on behalf of you.
- 44.9.7. Instructions dependent upon price limit may be accepted on a 'good for the day' basis, however 'stop-loss' or 'good until cancelled' orders will not be accepted.
- 44.9.8. A contact telephone number should be provided in order that we can advise you of any difficulties that may arise in carrying out the instruction.

If we receive an instruction to invest a cash amount we will calculate the number of shares to be purchased based on the latest price available to us. It should be noted that this may result in the cost of the deal being more than the cash amount requested. If this causes your Account to go overdrawn, you will be responsible for covering the overdrawn position on the Account.
- 44.9.11. We can be contacted as follows: General telephone number: +44 (0) 1624 645000 8am to 8pm Investment dealing telephone number: +44 (0) 1624 645022 8am to 5pm Investment dealing facsimile number: +44 (0) 1624 663484 8am to 5pm
